

## RSO CHEAT SHEET

### GENERAL:

- electronics safed, igniter not installed
- 18+, cert level- first/cert flight
- gut instinct re rocket, flyer
- general construction quality
- complex (cluster/staged/electronics)

### MECHANICAL:

- CP/CG- fins, lugs/buttons secure
- coupler(s), nose cone fit
- overstable (notify range mgr)
- waiver (weight)

### RECOVERY:

- recovery device installed
- attached at all points
- packed/protected/harnessed OK
- ejection charge(s)

### POWER:

- cert motor
- motor retention, thrust ring
- thrust/weight (wind)
- low thrust (notify range mgr)
- waiver (motor, clouds, ceiling)

### CLOSE CALLS (ASK FOR PROOF):

- CP/CG
- launch speed
- waiver
- complex
